UNITED STATES DISTRICT JUDGE

¹ The Magistrate Judge's Report and Recommendation (Doc. # 8) was mailed to Plaintiff at his address of record, but it was returned as undeliverable. Plaintiff's failure to keep the court apprised of his current address is an additional basis for dismissal because it is tantamount to a failure to prosecute and/or an abandonment of the case. (*See* Doc. # 5 (ordering "that the plaintiff shall immediately inform the court and the defendants or, if counsel has appeared on behalf of the defendants, counsel of record of any change in his address. Failure to provide a correct address to the court within ten (10) days following any change of address will result in the dismissal of this action.")).)
